Heads of all Health Care Institutions/ Hospitals

CODE OF PRACTICE AND GUIDELINES FOR CENTRES PRACTICING MEDICALLY ASSISTED  
REPRODUCTIVE TECHNIQUES (INCLUDING ASSISTED REPRODUCTIVE TECHNOLOGY)

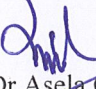

The Ministry of Health remains committed to safeguard the well-being of subfertile clients to ensure that reproductive technologies are practiced in a responsible manner. In the light of the growing number of Centers offering Medically Assisted Reproductive Techniques (MART) and Assisted Reproductive Technology (ART), it is imperative to ensure the ethical, safe, and standardized operations of all MART and ART Centers.

Hence, it is mandatory for all such Centers to; a) 'Register for an Initial License' from the Director, Private Health Sector Development, Ministry of Health, Colombo 10 (Email: [dphsd@health.gov.lk](mailto:dphsd@health.gov.lk)) and b) adhere to the Code of Practice and Guidelines which is a prerequisite for the continuation of operations.

You may download the Code of Practice and Initial License Application (ILA) from the following websites.

1. Private Health Services Regulatory Council (<https://www.phsrc.lk/>)
2. Family Health Bureau (<https://fhb.health.gov.lk/>)
3. Sri Lanka College of Obstetricians and Gynaecologists (<https://slcog.lk/>)

Failure to comply with the Code of Practice and Guidelines may result in penalties, including the potential suspension of services until full compliance is achieved.

  
Dr Asela Gunawardena  
Director General of Health services
